

Parent News

Open House Thursday,

Jan 26th 7 to 8 pm

The updated parent resource handbook is on the website. It is also available in print or can be emailed to you. Everyone should have signed and returned the last page by now. The new policies will go into effect on February 1st. There are just a few new changes. First, we are going to be enforcing the fees. (Late tuition payments, late pick up, not calling to cancel the after school pick up, etc.)

Second, we will begin enforcing the medicine policy.

Also, we ask that you not be on the cell phone when bringing and picking up children. Your child looks forward to seeing you and telling you about their day. By being on the phone, you miss this quality time. It is also a time for the teacher to let you know how your child is doing.

Valentine Parties

Parties will be held in all of the classes. Each child will have a mail box or bag to collect cards. If your child is able to write, work with them to address cards to their classmates. If not, maybe just have them name their friends to you. (The teachers will provide a list, but this should be a fun family activity.) There will be sign up sheets on each class door for volunteers! Sign up if you can come & as always we will post the pictures on Face Book as quickly as possible.

Toddlers in Rooms A, C, & D party will be 2:30 to 3:00

2 Year old Classes B, E, & F will party 3:30 to 4:00

3 Year old Classes G & H party time will be 10:30 to 11:00

Preschool & PreK Classes I, J, K, & L party time is 3:00 to 3:30

Infants M, N, O, & P will be 10:00 to 10:30

We have a new kitchen manager! Mrs. Erica from Room D has accepted this position! We are thrilled to have an awesome teacher in this area. She already knows most all of the children, so that is an asset. She is a wonderful cook and enjoys using all of the fresh produce and preparing home cooked meals. If your child has a favorite dish that is not on our menu, let Meagan in the office know.

Children's dreams made here...

Parent's dreams come true.

Thanks!

Our center is growing! We are so blessed to have wonderful parents and children. Thank you for being part of the Central Family. Remember if you refer a new family, we give you a \$25.00 credit on your tuition. Be sure and let us know if you have sent a new family to us!

Donations Welcome

Do you happen to have any computer mice? We need some for our computer center.

Do you have any toys or outgrown clothing that you would like to donate to our school. We love gently used items.

Spring is just around the corner. If you are cleaning out stuff, send it to us for our annual garage sale.

Face Book

When you visit our website, you can click on the Face Book to see what is going on while your child is at school. Take this opportunity to look at the pictures with your child. Ask them open ended questions about the pictures you view together. Like, "Who is that?" "What were you doing?" "Is that really your favorite color, ice cream, etc." "Is there something you like better or don't like?" "What was the story about?" If you ask questions that require more than a yes or no answer, it will let your child see your interest in them and show that what they do at school is important. It also helps to build language and communication skills. Take advantage of the chances you have to spend quality time with your child. They will be grown before you know it!

Review Us

If you have a gmail or yahoo email account, please look for Central Faith Child Development Center. Then click on the word "review". Give us 5 stars! (If you can't give 5 stars, come see someone in the office.) We want everyone to be happy with our services!

Teacher of the Month

We are beginning a new program for our staff to have an employee of the month. They will be nominated by their peers & elected by a committee. If your teacher is extraordinary, please let us know!

If you think your child's teacher is even more qualified than just our program, you may choose to nominate them at www.kxxv.com
